

Eagle Scout Project Bike Drive

When is the last time you rode your bike?

That bike sitting in your garage collecting dust can become a tool to catalyze self-sufficiency and empowerment locally.

We are collecting bikes for Bicycle Collective, who will, depending on your bike, use it as a tool for training future mechanics and engineers, fix it and give it away to those in need in the community, or fix it and sell it at low cost to fund their charitable programs.

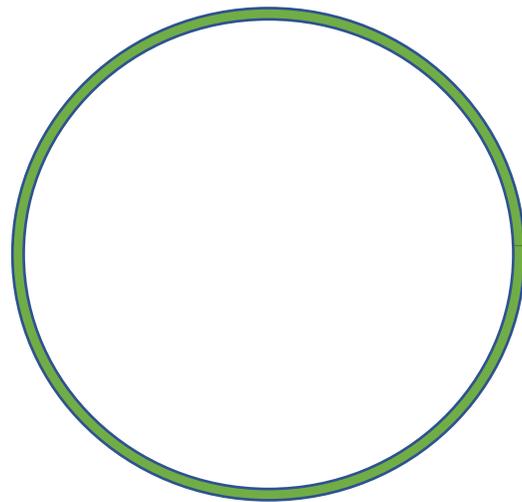

Please leave all bikes and parts at your doorstep for us to collect. No bike is too old or broken.

Pickup date and approximate time:

Bicycle Collective is a Utah-based 501c3 charitable organization with locations throughout the Wasatch Front. Donations are tax-deductible. Receipts provided upon request.
