

Volunteer Position: MECHANIC

Our Volunteer Mechanics keep the wheels turning here at the Bicycle Collective!

Help underprivileged adults and kids in our community discover the joys and benefits of bicycling. Learn and use your bicycle mechanics skills and knowledge to turn abandoned bicycles into safe, functional rides, all the while enjoying an atmosphere of collaboration and learning.

Primary responsibilities:

Bicycle Maintenance:

- Perform basic bicycle maintenance as directed
- Follow checklists when available
- Ask for help from a member of staff or core volunteer as needed
- Ensure tools are put back and the bench is cleaned when finished

Qualifications:

- Previous bike mechanic experience (even if minimal)
- Must be 18 years or older
- Friendly, honest and trustworthy
- Strong support for the mission of the Bicycle Collective

Time commitment: Minimum 90 minutes on assigned work day.

Length of Appointment: While there is no required length of appointment, we appreciate regular attendance and knowing in advance when volunteers will be joining us. Regular attendance is also beneficial to you in learning and using bike mechanic skills.

Benefits:

- Learn and use skills in bike mechanics
- Further our mission by contributing to our efforts of providing recycled bicycles to underprivileged individuals in our community.
- After 4 hours of service in one month, volunteers receive member benefits in the following month (use of Open Shop bench at no cost, 10% off in store purchases).
